Announcement/ Public Notice

Subject: Inviting Citizen Support for Wetlands Inventory Project

Delhi Greens is conducting participatory research project for the conservation of wetlands in the NCT of Delhi. As part of this project, Delhi Greens had released a Factsheet on the Importance of Wetlands on World Wetlands Day, 2 February, this year.

Delhi Greens reaches out to all the citizens of NCT of Delhi. We request you to let us know of any wetland/ water body that is located around your house or work place.

The information can be emailed to us at contact@delhigreens.org or you can simply click on this link and fill the form: http://savewetlands.delhigreens.com

The data generated will be used to help create an online, interactive inventory of all wetlands located in the NCT of Delhi, as a first step towards their conservation.
