**Announcement/ Public Notice**

**Subject: Inviting Environmental Resource Persons as Independent Consultants for Conducting Workshops**

Delhi Greens conducts ecotourism expeditions, nature trails, bird watching walks, interactive DIY workshops and uses creative - art, craft and music tools - for generating environmental awareness in the masses. We invite Resource Persons from across Delhi NCR, and India, who would like to help and support in conducting these activities as Independent Consultants with Delhi Greens.

All interested Resource Persons are requested to fill the following form and indicate their respective areas of expertise. We will get in touch with you as soon as we have a suitable opportunity and invite you to conduct the respective workshop/ activity.
