Hitachi Lift India Pvt Ltd. Supports Delhi Greens for Distributing PPEs to Community Waste Workers in North MCD Zone in Delhi

Delhi Greens conducted a distribution drive for distributing Personal Protective Equipment (PPEs) to Community Workers working in the Waste Management sector. The initiative was supported by **Hitachi Lift India Pvt Ltd.** Waste collectors and contractual workers working with the North Delhi Municipal Corporation (North MCD) were distributed with PPEs including:

- face shields (protective goggles),
- face masks,
- surgical gloves,
- shoe cover,
- full-body protection gowns, and
- sanitizer.

Mr. Sonu Kumar Jha, Engineer, Hitachi Lift India Pvt. Ltd. was present on the occasion to distribute the PPEs at *Rajapur Dhalao* in Rohini.

A total of 100 PPEs were distributed to the waste collectors and contractual workers in a phase-wise manner. The distribution of the PPE kits was followed by generating awareness in the community workers on how they can and need to keep themselves safe from the Coronavirus. The Community Workers were informed on the need to use the PPE kit and follow the healthy practices to keep themselves and others safe from COVID-19 disease.

COVID-19 cases are on the rise the North MCD area as is the case with the rest of Delhi. The Community Workers work in extremely dangerous situation as they collect waste from many apartments and residential areas infected by Coronavirus. It is important for them to follow the safety measures and use the safety gears so they can keep themselves and others safe.
